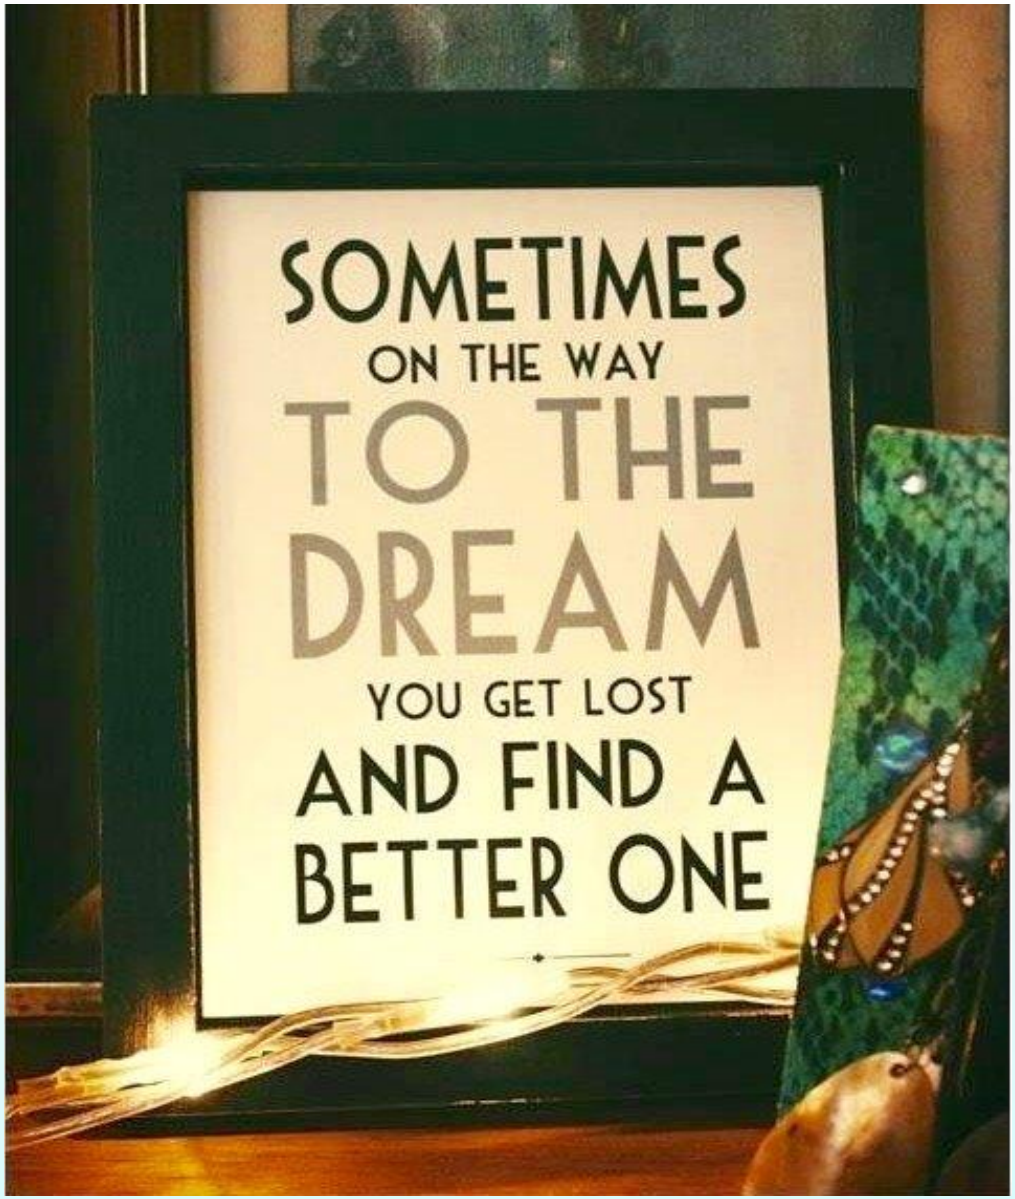
Purpose and Alignment

More on alignment.....

IT'S NOT ALL ABOUT YOU!

It's about your employer too!

So you have a Plan…



Be Open to New Possibilities

Embrace Change

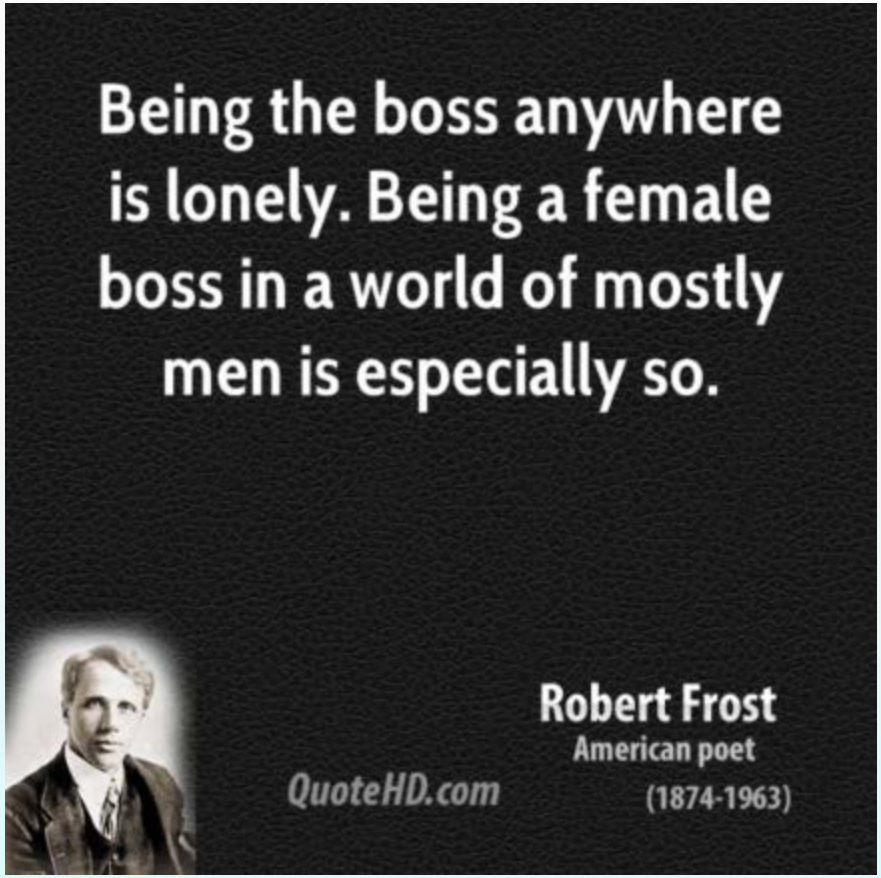
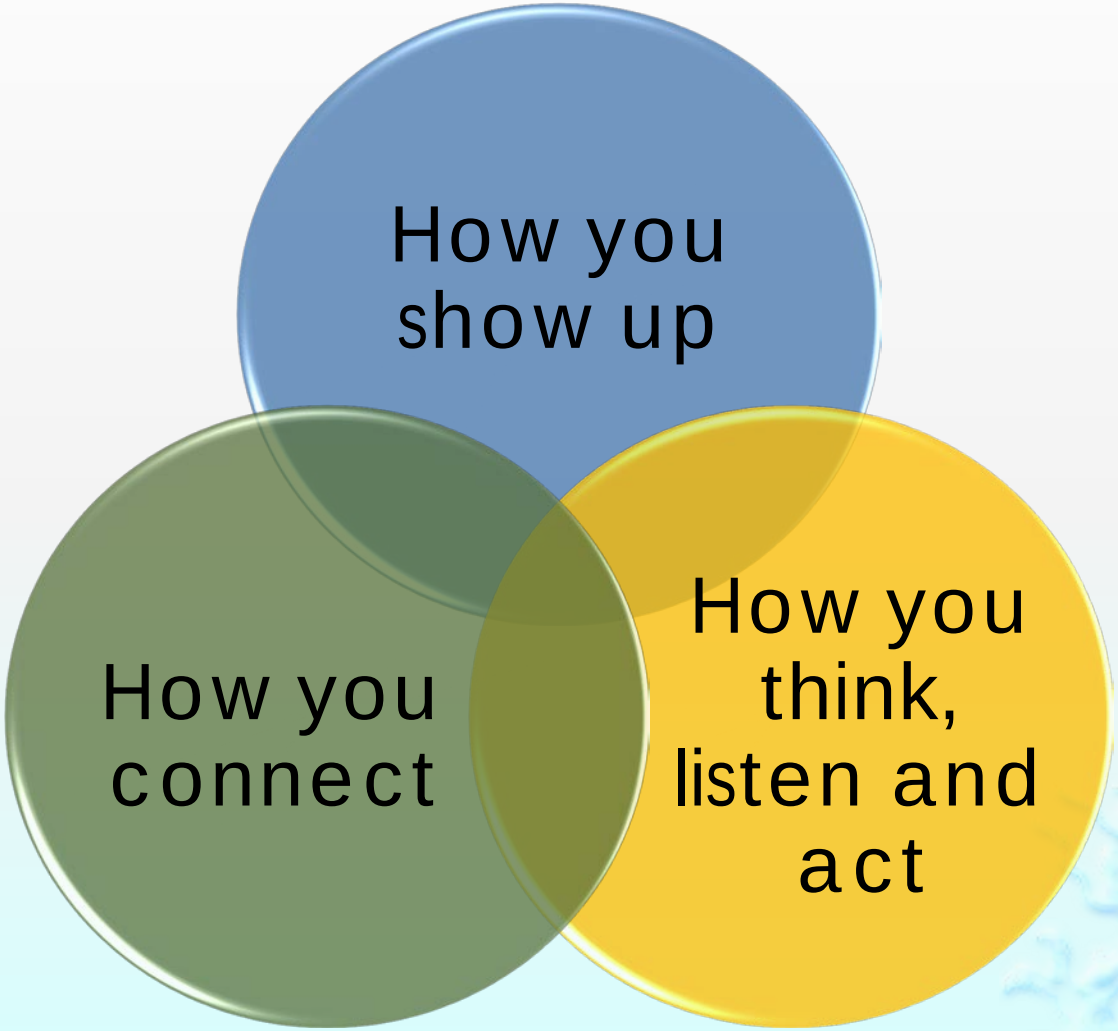
Being the Boss ....



Leadership Presence

The ability to connect authentically with the thoughts and feelings of others in order to motivate and inspire them to a desired outcome.

What is Leadership Presence?



Leadership is a performing art.

Your instrument

is

YOU

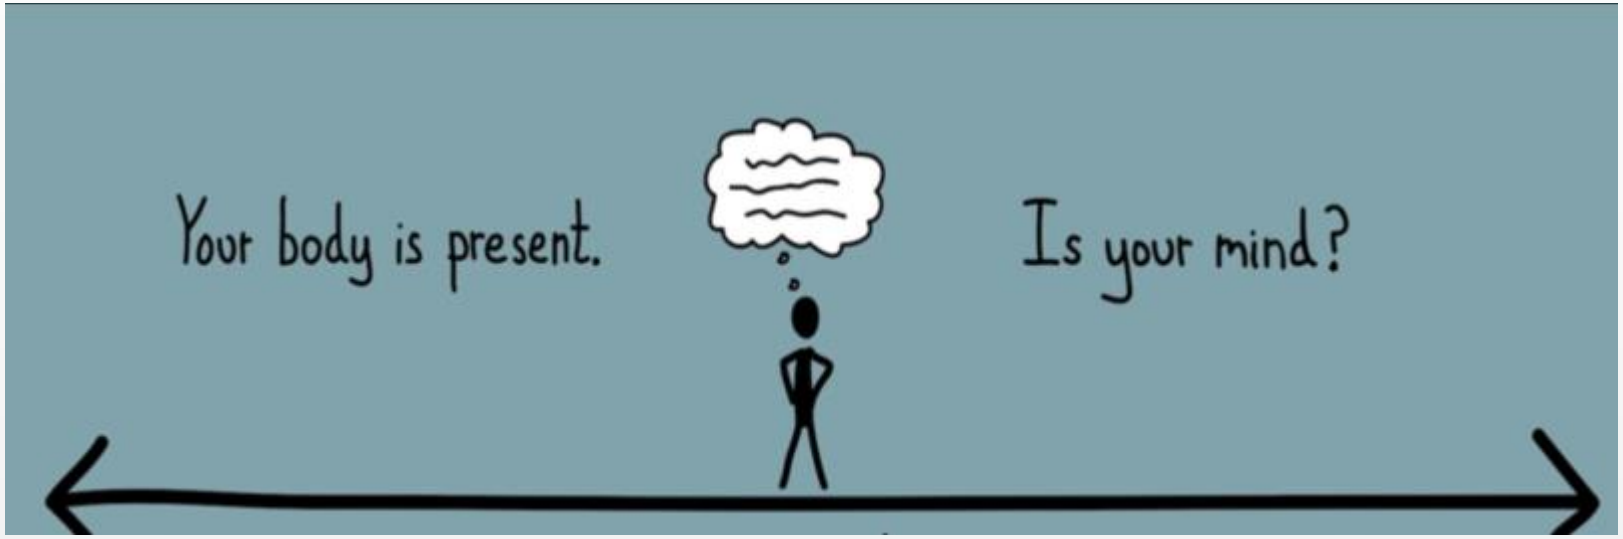
Be Present



Work + Home + Comm -unity + Self = Total YOU Approach

The art of the story….

Find joy in what you do. Laugh Often!

Believe in yourself

Because if you don't why will others? No one else can do it for you.
