

THE VAN HORNE INSTITUTE

Renewable Electricity Conference

Conference on the Economics of Electricity Generation and the Environment

Carl Fuchshuber
V.P. Regulatory and Strategic Planning
ATCO Power Ltd.

Mr. Fuchshuber has over 30 years of experience in the electric power industry with the ATCO Group of companies. He spent the first part of his career working in transmission planning and operation. He joined ATCO Power in 1996 to work in generation project development. He was the General Manager of ATCO Power's Australian operations. His currently responsibilities include developing the company's longer term business strategy and managing market and regulatory issues.
