# WHO ARE WE?

The Calgary Airport Authority is a not-for-profit, non-share capital corporation, incorporated under the Province of Alberta's Regional Airports Authorities Act.

Since 1992, it has been responsible for the operation, management and development of Calgary International Airport, and subsequently Springbank Airport, under long-term lease from the Government of Canada.

# OUR MANDATE

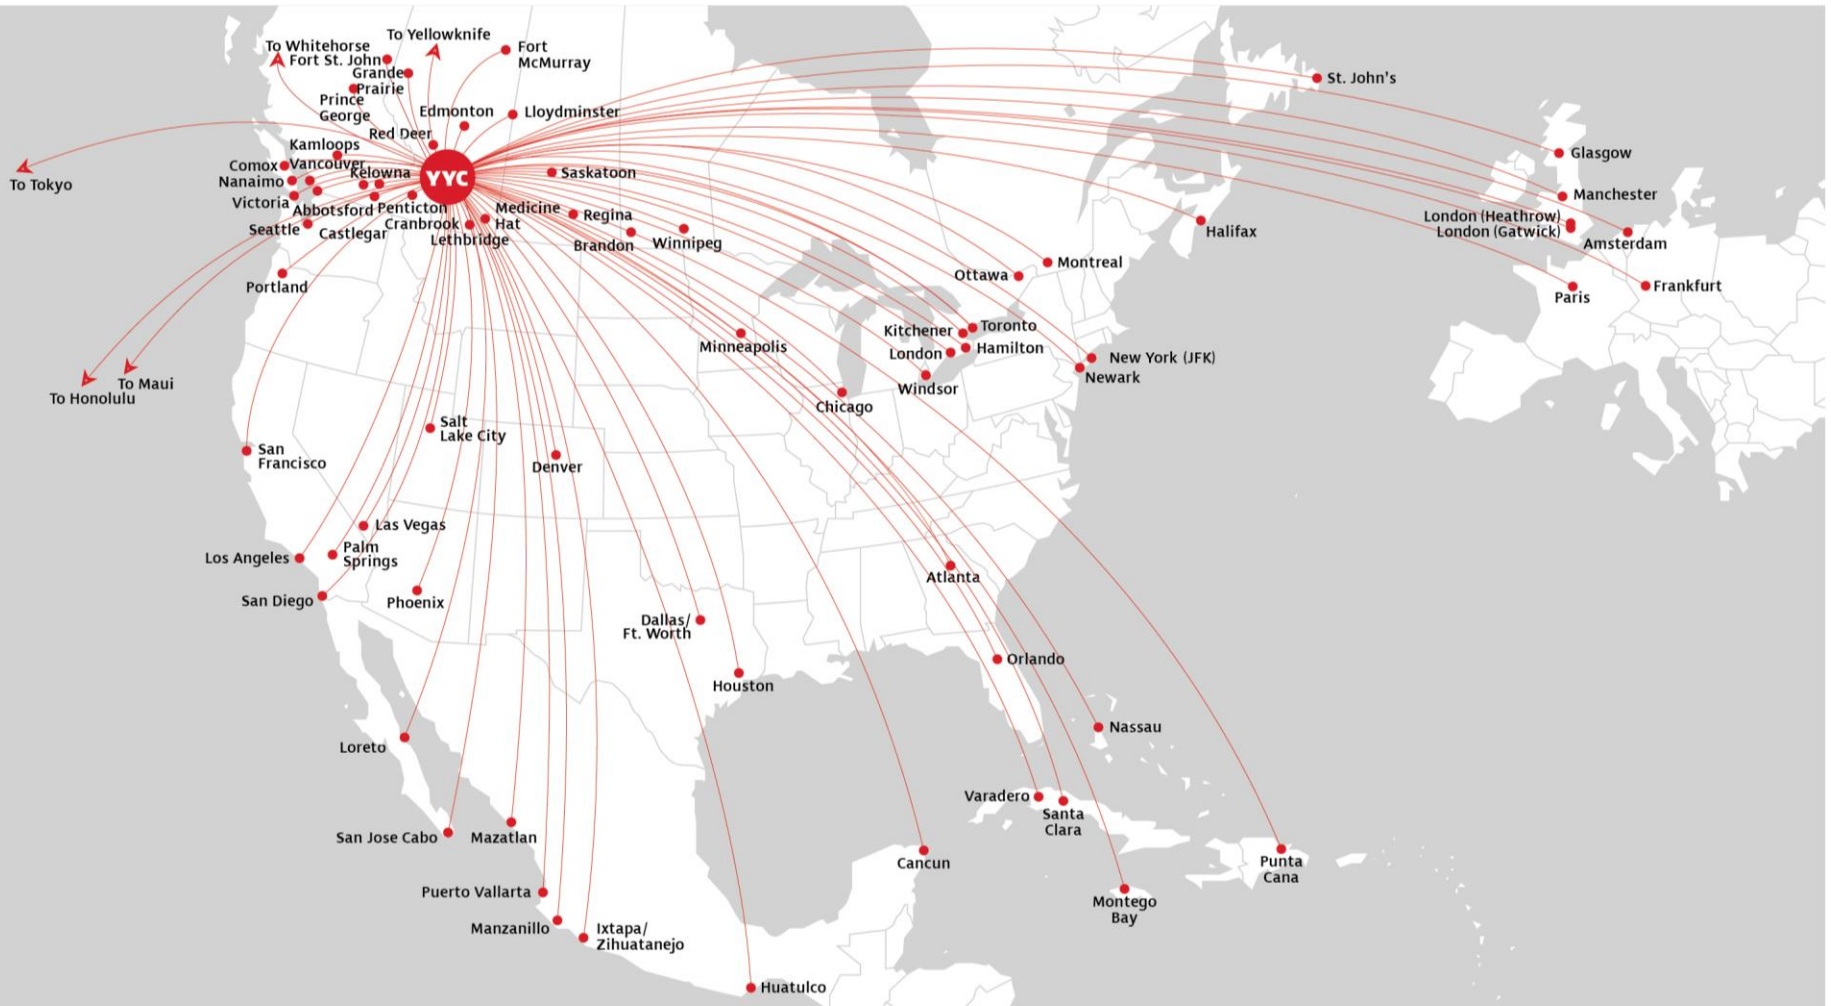

Our legislated mandate under the Regional Airports Authorities Act is:

- To manage and operate the airports for which we are responsible in a safe, secure and efficient manner
- To advance economic and community development by means that include promoting and encouraging improved airline and transportation service and an expanded aviation industry

For the general benefit of the public in our region.
