Mark Szakonyi

Executive Director

JOC.com, the online arm of The Journal of Commerce

Szakonyi leads JOC.com, the world's most visited news, analysis and data portal serving the container shipping and international supply chain industry. The JOC.com team of more a dozen editors and global correspondents provides business-critical news and data-heavy analysis nearly 24/7. Aside from editing, Szakonyi also reports on a variety of issues, ranging from container shipping alliances to trade economics. His analysis and work have been quoted in mainstream news media including the BBC, The Economist, NPR and USA Today. Szakonyi, a Chicago native now living in Washington D.C., is an avid reader, traveler and vinyl record collector.
