CONFERENCE**

Tyler Paquin
Vice President – Shared Services
Canada Cartage

Tyler Paquin is Vice President – Shared Services with Canada Cartage. He previously held National Director and Controllorship roles with Canada Cartage, formerly known as Direct Integrated Transportation. With a 20 year background in Transportation and Logistics, he most recently led the design and transition of various Winnipeg offices into a new facility located in CentrePort. Founded in 1914, Canada Cartage is the country's largest provider of outsourced fleet solutions.

Tyler received his Bachelor of Commerce degree from the University of Manitoba and is a Chartered Professional Accountant.
