

## 2017 Canadian Inland Ports Conference

**Bryan Richards**  
**President and Chief Executive Officer**  
**Global Transportation Hub**

---

Bryan Richards is President and Chief Executive Officer of the Global Transportation Hub, Canada's premier inland port. He was appointed to this role in August 2013 following a 15-year career as a key member of the senior executive team of Saskatchewan based Yanke Group of Companies.

With a career that spans three decades in the transportation industry, he has extensive knowledge and network ties with senior supply chain circles in Canada and internationally.

Mr. Richards is a graduate of Laurentian University. In addition, he has supported his community with extensive volunteerism, including serving as board chair of the Children's Hospital Foundation of Saskatchewan. Currently he serves on the Saskatchewan Trucking Association and Canadian Trucking Alliance board of directors, and is Saskatchewan's representative on the Asia-Pacific Gateway and Corridor Initiative.
