**Programming Director**  
**Cargo Logistics Canada**  
**Correspondent**  
**Lloyds List**

---

Peter Hurme has been the Programming Director, Show Director & Editor of Informa's Cargo Logistics Expos & Conferences, including Canada's biggest logistics conference and tradeshow – Cargo Logistics Canada: [www.cargologisticscanada.com](http://www.cargologisticscanada.com). Peter is also a contributor to Lloyds List and the newly rebranded Lloyds List Containers.

Previously, Peter was the Publisher at Northwest Publishing Center, and senior editor of the venerable Cargo Business News magazine, the daily Cargo Business Newswire, weekly Cargo Techwire, and the Port Productivity Quarterly.

Peter was also the publisher of industry-leading Pacific Fishing magazine, the Ports Handbooks, and a custom publishing business that included Master Builder Magazine. In addition, Peter was deeply involved in Cargo Business News's industry conferences over the years that included focuses on China, port productivity, and regional freight events.

Peter is also on the Board of Directors of the International Refrigerated Transportation Association, part of the Global Cold Chain Alliance. Peter has been in business media and events for over 20 years.
