

CRP Moving Forward Together

Calgary Region as a Transportation Hub

Calgary Regional Transit Plan

GreenTRIP Proposal

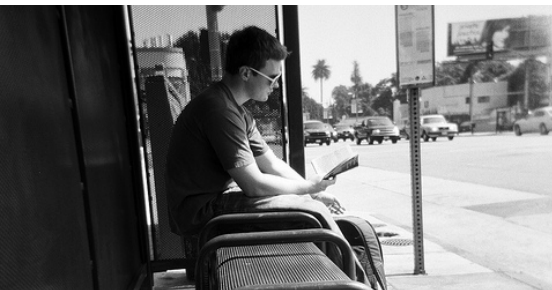

Private Sector Opportunities

- **The CRP is committed to private sector participation**
- More opportunities than today for private sector bus operators
- Delivery of new regional public services will be put out
for open bidding through advertised contracts

GreenTrip

- 800 million in GreenTRIP funding has been allocated to the Calgary Region
- Municipalities are responsible to cover 30% of the capital costs for projects

GreenTrip - Year 1 Key Components

Development of the regional GreenTRIP proposal has been a highly collaborative effort and has been built to accommodate the varying levels of municipal readiness for regional transit across the region

Additional GreenTRIP Information

- Applications for projects are to be prepared, signed, and approved by individual municipalities
- Projects must be supported by the Calgary Regional Transit Plan, and
- Include a project business case and a letter of support from the Calgary Regional Partnership
