## Willie Walsh, Chief Executive, British Airways British Airways in the Canadian Market

Join the Calgary Chamber of Commerce and experience the legendary 12 Days of Christmas Buffet while hearing Willie Walsh speak about British Airways in the Canadian Market.

Willie Walsh joined British Airways as chief executive officer (CEO) designate on May 3, 2005 and assumed full CEO responsibilities on October 3 after the retirement of Sir Rod Eddington.

Prior to joining British Airways, Willie was CEO at Aer Lingus, a position he was appointed to in the aftermath of 9/11.

Willie joined Aer Lingus in 1979 and worked his way through the ranks to become a captain in 1990. He was appointed CEO of Futura, Aer Lingus' Spanish charter airline in 1998. He returned to Dublin with Aer Lingus in 2000 where he took up the role of chief operating officer and was appointed as CEO in October 2001.

Faced with bankruptcy and heavy losses, Willie radically restructured the airline and this culminated in it posting an £73 million profit in 2004, making Aer Lingus the most profitable state-owned airline in the western world.
