Globalization's Impact on Supply Chain Management:

Tim Speed, President, Exel, Canada, will discuss how companies are transforming their supply chains to remain competitive in an increasingly global marketplace.

Exel is the world leader in supply chain management, providing customer-focused solutions to a wide range of industries including retail, consumer, technology, automotive, healthcare, chemical and industrial.

Tim Speed, President, Exel, Canada

Tim Speed joined Exel in 1989 and currently serves as President of Freight Management in Canada. His responsibilities include overseeing international, cross border and domestic forwarding by air, sea and truck, in addition to: customs clearance, warehousing both multi user and contract distribution.
