

2017 Canadian Inland Ports Conference

Mike Foran
Vice-President, Market Strategy and Asset Management
Canadian Pacific

Mike Foran joined Canadian Pacific in August of 1997, as Commercial Account Representative for Coal. Over the past 20 years Mike has held positions in Commercial, Finance, Customer Service, and Operations, including the role of Vice President of Network Transportation (2013-2016), a key Operations leadership position during CP's organizational transformation. Today Mike sits on CP's Executive Committee as Vice President Market Strategy and Asset Management, an "integrator position" charged managing CP's growth strategy while ensuring CP retains its strong operational performance. Prior to CP, Mike spent a short time with Labatt's as a product merchandiser.

Mike holds a Bachelor of Commerce Degree from the University of Calgary (1996) and a Master's Degree from the Richard Ivey School of Business (EMBA 2008). He is married (Christine) with one child (Claire) and is an avid hiker, skier and runner when time permits. Mike is also a qualified Locomotive Engineer.
