

David Montpetit

President and CEO

Western Canadian Shippers' Coalition

With 20+ year's experience, David is an accomplished leader with proven ability to align strategy with day-to-day operations, and a comprehensive understanding of the rail transportation and port logistics industry. He is currently President and CEO of Western Canadian Shippers' Coalition (WCSC), an association that represents western shippers who provide tens of thousands of direct and indirect jobs for Canadians in communities across the west and ship billions of dollars' worth of mainly resource products annually to domestic and international customers.

David is also President of his company Diadem Group LTD., a specialized supply chain and logistics-consulting firm. Using a solution-based approach, Diadem provides services that enable companies to significantly increase their competitive position by providing leadership in supply chain strategy, commodity and freight market analysis, delivering on business development opportunities, improving supply chain efficiencies and ensuring short and long-term service level agreements are maximized.
