

Bio: Paul Ferguson

Ceres Global

Paul Ferguson is the General Manager, Energy and Industrial Products, for Ceres Global.

Paul has over 20 years' experience in Logistics and Supply Chain Operations Management, i.e., what he calls the : Plan, Promise, & Deliver - Consistently business. In 1998 Paul and his family moved from Edmonton to Regina where from 1998 to 2005 he was the Transportation Manager for a Cargill JV nitrogen fertilizer producer; Saskferco Products Inc. A bigger league introduction into multiyear, multimillion dollar rail freight contracts. In 2005 he transferred to the then newly created Mosaic Company in Minneapolis, as their Supply Chain Services Manager from 2005-2012. In 2012 the crude by rail business presented new development opportunities and he joined the frenzy as the Supply Chain Logistics and Operations Manager at World Fuel Services, Inc.

Paul has a Bachelor of Science Degree (Chemistry) from the University of Alberta, AB, an MBA in Business Administration from Walden University in Minneapolis, MN, and other Logistics and Supply Chain professional development designations. Paul now lives and works in Minneapolis for Ceres Global, with his family, slowly making their way further south to warmer climates.
