

THE VAN HORNE INSTITUTE

Renewable Electricity Conference

Conference on the Economics of Electricity Generation and the Environment

Andrew Leach

**Associate Professor and Academic Director of Energy Programs
Alberta School of Business
University of Alberta**

Andrew Leach is an energy and environmental economist and is Associate Professor and Academic Director of Energy Programs at the Alberta School of Business at the University of Alberta. He has a Ph.D. in Economics from Queen's University, and a B.Sc (Environmental Sciences) and M.A. (Economics) from the University of Guelph. He recently spent a year on leave from the University of Alberta as Visiting Scholar, Environment Canada, where he worked mostly on greenhouse gas policy for the oil and gas sector. Outside of work hours, his free time is spent with his two kids, Will (6) and Caroline (5), as well as tweeting, blogging, cycling, and running.
