

# Women in Supply Chain: The Journey Conference

June 16—17, 2016 Safari Lodge, Calgary Zoo

Each story has a journey. As the Women in Supply Chain (WISC) team has decided to build on our successes and continue to refine what has been a path of discovery.

Women in Supply Chain: The Journey Conference will bring the men and women of the Supply Chain community together so that they might share in the insights, experiences and knowledge of inspiring women who are leaders in their industries and in their supply chain roles.

The Conference will hear from leading women in the field of Supply Chain, Logistics, and Transportation who will provide career advice and lessons from their journey in this field.
