Brian Flemming National Security Advisory Council

“Dispatches from the War on Terror”

Brian Flemming will speak to the "war on terror", specifically focusing on the transport sector and why it continues to be a key battleground.

He will discuss what we have done right and what we need to do to in the fight on terrorism. He will also discuss the implications a new government may have on this issue.

Flemming created an organization called CATSA, after 9/11 and was the Board Chair. He was the former chair of CTAR, and is a member of the newly-formed national Advisory Council on National Security that the federal government created
